About Lupin Ltd Pharmaceutical company

Lupin Ltd Pharmaceutical company was established in 1968. The Company develops and commercializes a wide range of branded and generic formulations, biotechnology products and APIs in over 100 markets in the U.S., India, South Africa and across Asia Pacific (APAC), Latin America (LATAM), Europe and Middle-East regions..

The Company enjoys leadership position in the cardiovascular, anti-diabetic, and respiratory segments and has significant presence in the anti-infective, gastro-intestinal (GI), central nervous system (CNS) and women's health areas.

Lupin has fifteen manufacturing sites, seven research centers, more than 20,000 professionals working globally, and has been consistently recognized as a 'Great Place to Work' in the Biotechnology & Pharmaceuticals sector.

About the Visit

Mr. R. Rana, head of plant, interacted with final year B. Pharm students and briefly discussed Lupin's history, its products, WHO certification, and various processes carried out. He informed to students about Lupin's flagship facility, and the Aurangabad plant, started operations in 1979. The facility employs ~450 people and manufactures various dosage forms like tablets, capsules and suspension in the dosage forms. Mr. Ranjeet Rana provided insights into various departments, their functioning, and the importance of cGMP, cGDP, and cGLP followed in the manufacturing of products. The concise process of growth in the anti-TB segment has been fuelled by our strong API manufacturing capabilities, our expertise in fermentation technology which is critical to the manufacture of TB drugs, and our state-of-the-art facilities that operate in compliance with the highest manufacturing standards, including the US FDA, MHRA and WHO Good Manufacturing Practice (GMP). Furthermore, we are strengthening our anti-TB portfolio with the development of products recommended for treating multi-drug resistant (MDR) tuberculosis. The students also get exposed to the process of Tablet Formulation, Packaging area & wear hours are.. At the end of the visit, Mr. Ranjeet Rana sir was felicitated by the faculty members on the behalf of ASPM's K. T.
