Cleaning of different areas of mauje Bhanasgaon

Program Title	:	"Cleaning of different areas of mauje Bhanasgaon"
Organized by	:	ASPM's K. T. Patil College of Pharmacy, Osmanabad-413501
Day and Date	:	7.03.23 Tuesday to 10.03.23. Friday
Time	:	09:30 am to 02:30 pm
Venue	:	Bhanasgaon
Program	:	MrAlkunte A. S.
Coordinators	:	Mr. Khare S. V. Miss. Hangargekar P.B.

Objectives:

1. To develop among the students a sense of social and civic responsibility.
2. Encouraging the students and non-Student youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline, and healthy and helpful attitudes towards the community.

About the Program

On the day, the camp activities began with a cleaning session in Bhanasgaon. The Grampanchayat and its surrounding areas, extending from the Police officer's house to Dalit vasti, as well as from the Water tank area to the house of the panchayat head, were cleaned by the NSS students. They also cleaned Dudhe colony, Kadam vasti, Dargah road, and the area around the bus stand. This four-day program saw enthusiastic participation from our NSS students, who worked diligently to clean the temple premises and create a vibrant rangoli art

in front of the temple. The project not only aimed at enhancing the aesthetic appeal of the temple but also at instilling a sense of community service and environmental stewardship among the students.

On the designated day, a group of enthusiastic NSS volunteers gathered at the Temple. Armed with cleaning equipment and supplies, the students commenced the beautification process. The initial phase involved thorough cleaning of the temple surroundings. Debris, litter, and unwanted vegetation were meticulously removed, resulting in a pristine environment.

The active involvement of students, faculty, and community members ensured the effective implementation of Yoga and Dhyan. To make the program successful, NSS Program Officer Mr. Alkunte A. S., Deputy Program Officer Mr. Khare S. V. and Miss Hangargekar P. B worked hard and all the students, teachers, and non-teaching staff attended the said program in large numbers.

Program Title	:	“Beautification and Cultural Enhancement of Hatladevi Temple Surroundings by NSS Volunteers”
Organized by	:	ASPM's K. T. Patil College of Pharmacy, Osmanabad-413501
Day and Date	:	Thursday - Sunday, 09.01.2020-12.01.2020
Time	:	12:00 pm to 01:00 pm
Venue	:	Hatladevi Temple
Program Coordinators	:	Mr. Alkunte A. S. Mrs. Quazi R. S. Mr. Khare S. V.

Objectives:

1. To enhance the cleanliness of the temple surroundings, promoting a hygienic and pleasant environment for devotees.
2. To foster a sense of responsibility and community service among the students, encouraging active participation in local welfare activities.

About the Program

From January 9 to January 12, 2020, the NSS unit of our college undertook a significant initiative aimed at beautifying the surroundings of the Hatladevi Temple. This four-day program saw enthusiastic participation from our NSS students, who worked diligently to clean the temple premises and create a vibrant rangoli art in front of the temple. The project

not only aimed at enhancing the aesthetic appeal of the temple but also at instilling a sense of community service and environmental stewardship among the students.

On the designated day, a group of enthusiastic NSS volunteers gathered at the Hatladevi Temple. Armed with cleaning equipment and supplies, the students commenced the beautification process. The initial phase involved thorough cleaning of the temple surroundings. Debris, litter, and unwanted vegetation were meticulously removed, resulting in a pristine environment.

Sweeping Away the Old, Making Way for the New – NSS Students in Action

Dedicated to Cleanliness: NSS Team Enhances the Temple's Beauty

Following the cleaning drive, the focus shifted to the creation of rangoli art. Utilizing vibrant colors and intricate designs, the students crafted a magnificent rangoli in front of the temple entrance. This not only enhanced the aesthetic appeal of the temple but also symbolized the rich cultural traditions associated with festivals and auspicious occasions.

Cultural Heritage in Every Stroke: Beautiful Rangoli by NSS Volunteers

The beautification initiative received overwhelming appreciation from the local community and temple authorities. Devotees visiting the temple expressed their gratitude and admiration for the efforts of the NSS volunteers. The vibrant rangoli art became a center of attraction, drawing visitors and enhancing the spiritual ambiance of the temple.

The active involvement of students, faculty, and community members ensured the effective implementation of cleanliness and water conservation initiatives. To make the program successful, NSS Program Officer Mr. Alkunte A. S., Deputy Program Officer Mrs. Rubia Qazi, and Mr. Shivratna Khare worked hard and all the students, teachers, and non-teaching staff attended the said program in large numbers.
